The fun never ends

Offering true affordability in 4-stroke watercraft, the VX series continues to entice successive generations of enthusiasts onto the water.

Featuring the most fuel efficient engines in the industry, agile handling and a range of great practical features, these are craft well suited to active watersports fun as well as to more relaxed riding activities. And with simple and clean lines, they're also designed for anyone who wants to spend less on fuel and more time on the water.

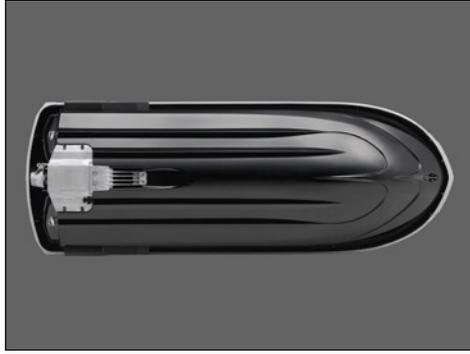

In fact, at their purest, VX series watercraft are quite simply an invitation to get out there and enjoy your time on the water.

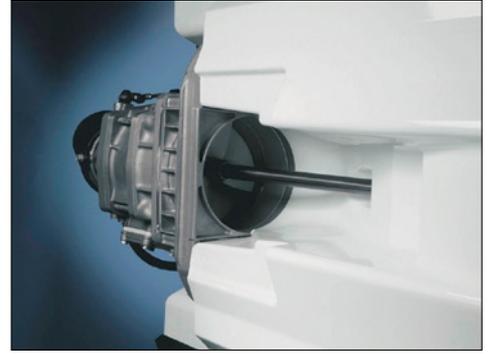

Water-cooled 4-cylinder 1052cc DOHC 20-valve engine

Delivering a combination of ultra-smooth power development, low noise, low fuel consumption and low emissions, the VX engine is everything modern riders want from a WaveRunner engine. Open up the throttle on this 1052 cc, 4-stroke, 4-cylinder, DOHC engine and enjoy genuinely responsive power at your fingertips.

Easy-handling hull

The key to the popularity of the VX Deluxe is its effortless, neutral handling. The sleek black Semi-V hull design lets riders set their own course – making it easy to tackle challenging waters. High levels of sure-footed stability and ride comfort make this watercraft easy for both novices and seasoned riders to enjoy to the full.

Hyper-Flow high-pressure jet pump

Unique technology lies behind the legendary WaveRunner reputation for exhilarating handling and exciting performance. Outstanding bite and acceleration are possible through the combination of a high-flow intake, a Thrust Directional Enhancer and a stainless steel impeller – with ruthlessly precise tolerances within the impeller housing.

Ergonomic sport seat

The VX Deluxe's ergonomic seat is made for exhilarating sports riding. Making sure that you're comfortable, it's perfect for trying out a variety of watersports with friends, such as waterskiing and wakeboarding.

Hydro-Turf® mats and extended rear platform

The VX Deluxe welcomes you aboard with comfortable, slip-resistant Hydro-Turf® mats. The choice of the world's best PWC racers, they offer optimum grip and outstanding durability. After wakeboarding, skiing or swimming, re-boarding is easy thanks to the extended rear platform.

Glovebox with dual cup holder

While the large capacity glovebox is handy for storing essential items, it also features a convenient dual cup holder. You and your passenger can enjoy your ride with refreshments close-to-hand.

The Yamaha Chain of Quality

Yamaha technicians are fully trained and equipped to offer the best service and advice for your Yamaha product. For this reason, Yamaha strongly recommends visiting an official Yamaha dealer for all your service requirements. Yamaha Marine Parts & Accessories are especially developed, designed and tested for our Yamaha product range. Yamaha also recommends the use of Yamalube®. Yamalube® is our own range of high-tech lubricants, the lifeblood of Yamaha engines. They are developed to carry on working effectively, no matter where you drive.

Besides functional and style accessories, Yamaha offers a range of high quality, innovative boating gear. An extensive range of casual wear is also available. For more information go to: www.yamaha-motor-acc.com

All information in this brochure is given for general guidance only and is subject to change without prior notice. We should all exercise POWER WITH RESPONSIBILITY and help preserve the great sporting opportunities and enjoyment we all derive from our involvement with personal watercraft. You must recognise too, that your Yamaha WaveRunner is actually a boat, so please learn and follow all the rules of the sea and waterways, take professional instruction where possible, and obey local rules and regulations, which may differ greatly from area to area. The photographs featured show boats being driven by professionals and no recommendation or guidance in respect of safe operation or style of use is intended or implied by the publication of any of these images. Read all instruction materials carefully before setting out and ALWAYS wear recommended protective clothing and a life preserver or lifejacket when boating. NEVER DRINK AND RIDE.
